Cut antler

SIZES CUSTOMIZABLE
ON REQUEST

For dogs that enjoy long-lasting chews.
Help reduce plaque and tartar while providing a clean,
natural and nutritious treat.

Split antler

SIZES CUSTOMIZABLE
ON REQUEST

Contains nutritious marrow, making it ideal for puppies,
senior dogs, and gentler chewers.
A healthy, long-lasting chew that supports dental hygiene
and keeps dogs engaged.

As the first Polish company in the industry to export antlers to the USA, we set new standards for quality and innovation. We deliver tons of product annually, while maintaining strong, long-term relationships.

Whole antler

Natural, uncut shed antlers for further processing or custom cutting. Ideal raw material for manufacturers and distributors requiring larger quantities and full production flexibility.

Antler powder

Natural supplement rich in minerals and collagen, supporting bones, joints, and mobility. Easy to digest and mix with food, ideal for active dogs, puppies, and seniors.

Rope Toys

100% natural whole antler chew for medium dogs. Long-lasting, odor-free, supports dental health. Rich in minerals and collagen for strong teeth and gums.
